I learned through Patty that Shiga was planning to leave Toronto for the West on September 18. That simply would not fit into her trip to see Miss Layton as planned by Carol Duffus. I spoke with Carol August 28th., she and Allen will arrive in Toronto on the 10th. They will borrow Carol's sisters car, pick up Jarvis (who will arrive in Toronto Sept. 7th and will be with her sister Elizabeth Johnston at 31 Anderson Ave. Tel 489-1462) and proceed to Ronville Tuesday morning. She and Allen will be returning to Halifax Sept 17th. I am waiting for Carol's letter with flight numbers etc. so I can book Shiga on the same flight. I had to check with Shiga that she could have a later departure date than September 18, so I called her - (reached her quicker than either Hendry or Baalim) and she said O.K.

Só - Barber - her arrival in Vancouver will be later - I will let you know - as soon as I know myself.

Patty and Frank will pick up Marion Allen early on Tuesday, so they will be at Ronville before noon.

→ Cameron will be bringing Reed

Carol and Allen will be bringing Joyce

Gwen and Lloyd will be renting a car at the airport (they arrive in Toronto about 4.30 p.m. Monday) and will head for Ronville.

Muddiman will be meeting Shiga, and then picking up Frapp (to and SOTON) proceed to Adrienne's camp Mon eve.

I will be leaving Sunday from Ottawa with Phoebe, will stay overnight with Winn, and I will go on to Ronville Monday, Phoebe will continue the journey with Winn and Russ on Tues morn. Corner is planning to travel with FORSYTH, unless her car is needed.

It looks as though everything is under control and for back-up we have Jess and John Eastwood & the the McFadzen's

Many thanks for the donations toward bulletin expense, and Shiga... after deducting Ronville and Air Ticket for Shiga; we will make a "cash" presentation at the banquet, so anyone who wishes to contribute when they see me at Ronville, please make it by cash rather than by cheque. Please bear in mind that Winn's suggestion was that those of us who are not subjected to high travel expense should be the ones who contribute "on behalf of the class"

Many people have sent me the money for the pottery dish and table decorations (\$7.00) - or included it with bulletin expense and Shiga so for your information I am forwarding your "ante" to Patty Adams, Baalim, Collier-Wright Davison, Hendry, Jarvis, Laidlaw

M.E.S. AMIES:

Anne Lyster Toole called me to-day to say" what happened Marj - I didn't get my regular weekly dispatch?".....

What happened...was Elizabeth Wardley Raymer's death.....
"our beloved Wardley"nothing I can write will lessen the shock.

Winn, Patty, Shirley Muddiman, Ruth Corner and I represented our class of '39 at her funeral in "Aurora" August 22nd.

Ruth forwarded a donation to the Cancer Society - we will reimburse her - at Ronville.

Her "problem" as noted in her letter to me July 29, was Hodskins disease for which she was taking chemotherapy. Judy explained to us that she responded well to the treatment, from the cancer point of view, but it drained her energy, she went into hospital August 13 - developed pneumonia and slipped downhill very quickly.

Dear Marjorie,

Marion Hobday

Allen will be delighted to attend!
and was simply delighted to know
she would be seeing you again.
So felt that you must have made
a mistake about which reunion
you are celebrating. Her:

address is MRS. Evelyn P. S. Allen
34 Oxtown Ave Toronto MSP 149
Tel 483-2683.

You have sent me
enough bulletins now! I think
they have all been read. I'll
forward them to Marion — but
you write her a note of welcome.
If more money is needed for
Shiga let me know. We hope
everything goes smoothly.

Sincerely

Elizabeth and Paul 141.1

Hi dear Mari & Joan:-

Had thought something could be worked out so that Warren & I could be there. but I just don't see a way right now. -

I'll tell you I have thoroughly enjoyed all this correspondence & would so much love to be right in the middle of the "Big Re-union". I'm sure everything is going to be absolutely A-1 in every way. I'd just give anything to see Shige again - My love to her - And then to hear to-day that "Wendy" will be there & "Holiday" too. - well I sit here with tears wishing there was some way - My love & blessings to you all. Indeed it will be a superb time for everyone, warm feelings & so marvellous in every way. -

Warren & I have been back in Oregon since April & loving it all. This is a resort

area - very very beautiful & we do lead a very relaxed life. Like Dorothy Lupton said we've almost done our thing for one year & still one big wedding left the end of August (back in Boise) to give Shelley away. So it's all excitement around here. -

If all this was a bit closer I'd be there you can bet on that. But my what a lovely Spot Roseville. Sounds & with "Mr. Waffle" managing it at that end (his name tickles me!) it can't keep but be delightful! He must be a doll. -

And to compliment you Mari & Joan for doing one fantastic job on all this & keeping everyone informed this year way, one heap of a job & many bouquets to you both -

You can take my name off the list now Mari. -

One huge big Hello to everyone there. It would be so marvellous to be able to sit around as we did "to" again & go - sing along with Winn - laugh & talk & talk & talk - The last one in "Harrison" was so beautiful & I know this will be too. (You lucky gals!

Sorry sorry sorry! I want to be there so much.

Love to each & everyone.

RHODA.....

I can't take your
name off the list

too many people
are waiting to
see you tap dance

I would like a
repeat of the
soft shoe number
with Ed Lea
done on a coffee
table at 3.00 a.m.

There are quite a
few days between
now and Sept 11

you never know
you might just be
able to make it

We have not had
any response from
your room-mate
Marg Davidson
By telephone, Winn
has another address
I am not sure how
she managed that
the message was
relayed to me by
my daughter 'Muggs
when I returned
from Lakefield.

Do hope we can
reach her before
the 11th.
